

Rotary Club of Royal Leamington Spa

Following the great success of our first year in 2019 the Rotary Club of Royal Leamington Spa is proud to be once again organising and expanding, 'Cars at the Spa' which will take place on **Sunday 26 September 2021**.

The event will be held in the Pump Room Gardens in the town. A premier site next to the Historic Pump Room, with all the major facilities close at hand including the award winning Jephson Gardens.

We expect 200 classic cars will be attending the show which we estimate attracts in excess of 8,000 people who enjoy a wonderful family day out.

A programme will be published showing details of all the cars on display together with the schedule of the day's events including entertainment in the Victorian Bandstand. We are offering an opportunity to advertise in this A5 size programme at a cost of £50 per half page and £100 per full page to include your own artwork. Naturally, this will be seen by many in the classic and general car industry.

We would be delighted if you would join with us in the promotion of and participation in this exciting event to the benefit of all those local charities supported by the Rotary Club of Royal Leamington Spa.

Please complete the following (for invoice purposes):

Company name.....

Address.....
